Early registration prices are for payments received 30 days or more before the course. Full refunds are available up to 30 days before the course. For cancellations with less than 30 days notice, you may substitute another person for the program or transfer your registration to another START Rescue Training program within one year. If START Rescue Training is unable to conduct the training program due to illness or physical disability or regulations of public authorities, labor difficulties or any other cause beyond its control, START will be liable only for the full registration fee.

Class size is limited and registrations will be accepted on a first-come first-paid basis. The price for the open enrollment rescue program will include all necessary training equipment, handouts and certification of training. Students are required to supply ankle-supported boots, leather gloves, safety glasses and hard-hat. All participants are required to sign a medical release form prior to the start of each program.

NFPA® 1670 & 1006 notations, indicate courses meeting NFPA® rescue training and qualification standards.

Lodging information and directions will be sent to you along with confirmation upon receipt of registration form and payment. For more detailed information on the programs listed or for additional open enrollment dates, call our customer service department, or check out our web site at www.startrescue.com.
